

Cleaning Chemical

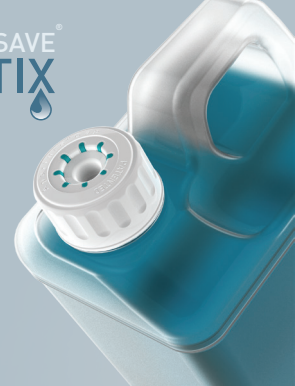

Everyday dosing systems fail to provide a closed secure container dispensing arrangement to safeguard against unrestricted methods of use.

Suresave®Optix solves this problem

Patented

Aperture® Irremovable Dispensing Closure secures and controls the use of chemicals, preventing misuse, pilferage, contamination and waste as well as **Reducing Cost**

SURESARE[®]
OPTIX

Control

The system ensures managed use of the Bio Degradable / EN Certified formulations, for the Professional Cleaning, Food Service and Healthcare environments.
